TALBOT RIDGE FARMS, Mount Airy, MD

Main Level Living at its finest! Enjoy the scenic setting of this lovely home nestled in the Talbot Ridge Farms subdivision. Only 4 houses on a private road, surrounded by farmland! Built in 2019, this home is like new, and ready for its new owners. Coming up the recently paved and oversized driveway, you'll find yourself greeted by a lovely walk way, up to a cozy front porch nook. Inside, you're welcomed into a huge open foyer that graciously brings you into the heart of the home. The gorgeous kitchen is open to the breakfast area, and the family room is large enough for a separate dining area, or keep it a big family room, the choice is yours! Kitchen features beautiful taupe-grey cabinets with sleek black hardware, glass subway tile backsplash, a modern separate vent hood over the stove, an enormous island with built in sink and dishwasher, and so much prep space on the marble countertops! Behind the kitchen is a hallway to access the half bath, mudroom with built in bench and shoe cubbies, and the laundry area on the way to the large 2 car garage. Back into the home, head past the family room to find the bedroom wing. The primary suite is down another hall, with an oversized linen closet for convenient storage. The primary suite is built to impress, with recessed lighting in the tray ceilings, sitting/dressing area, a generous walk in closet, and attached primary bathroom with double sinks, it's own linen/storage closet, and a beautiful walk in shower with glass subway

tiles. Back out to the main hallway, find 2 more bedrooms which share another spacious full bathroom with a tub/shower combo and double sinks! Heading back into the main area of the home, but tucked out of the way, find the wrap around stairs leading you to the basement, and sunbathed by more windows. The basement was thoughtfully designed to meet a variety of needs. Find a massive finished recreation room with ample recessed lighting, which makes this area feel less like a basement, and more like a fun hang out area. Large enough to separate into gaming area, home theatre, and home gym space! Basement also features another full bonus room, and full bathroom with tub/shower combo. Keep the bonus room as an office, or a space for guests! With the ease of the walk out level and separate door, this could be converted to use as au-pair space, a separate apartment, or even a home based business. The choice is yours! Schedule your tour today, this property is sure to impress!
